

2021 Comprehensive Economic Development Strategy Annual Update
North Central Florida Comprehensive Economic Development District

December 1, 2021

Impacts of the COVID-19 pandemic have continued to cause economic dislocation in the North Central Florida Economic Development District during the October 1, 2020 - September 30, 2021 reporting period. During the period, the District continued the development of a COVID-19 pandemic economic recovery plan to be incorporated in to the 2018-2022 North Central Florida Comprehensive Economic Development Strategy. In addition, the District has continued to implement the adopted goals of the Strategy.
