

2020 Comprehensive Economic Development Strategy Annual Update  
North Central Florida Comprehensive Economic Development District

December 1, 2020

Impacts of the COVID-19 pandemic have caused economic dislocation in the North Central Florida Economic Development District during the October 1, 2019 - September 30, 2020 reporting period. During the period, the District initiated the development of a COVID-19 pandemic economic recovery plan to be incorporated in to the 2018-2022 North Central Florida Comprehensive Economic Development Strategy. The District also added an Opportunity Zones section to the Strategy. In addition, the District has continued to implement the adopted goals of the Strategy.
