██████████ called my office on the afternoon of Oct. 22 to see what his pickup time was for transportation on the 23rd of Oct. At that time I told him that he was not on the schedule for transportation and that I had no seats available at this particular time for him and his wife. He argued that he had already scheduled the ride. I tried to explain to him that I had no record of his appointments. He hung up and called Live Oak and spoke with our Exec. Dir., Mrs. Frances Terry.

Ms. Terry called me to see what was going on and I explained the situation to her. She asked me to look at the manifest and see what the next available day would be for two seats for him and his wife. While looking through the days, I found that ██████████ had an appointment on the 25th to ride. I called him and told him I found his appointment on the 25th. He told me to hold on and he went to check and came back to the phone. He said that I was right, it was on the 25th and it was his mistake. Then, he wanted to schedule another one on the 24th. In the entirety of my conversation with ██████████, he and his wife wanted to ride Oct. 23, 24 and 25. I was unable to schedule him for the 23rd, because there were no seats available, so I scheduled him for the 24th and 25th of Oct. He again apologized and told me that this mix up was his entire fault. I told him not to worry about it. It was all worked out now.

██████████ also called Tallahassee and I received a call from my supervisor, Matt Pearson on the 23rd about the same complaint. Matt advised me to fill out a complain form and turn it in.

██████████ called October 23, right after noon and advised me that he was going to Orlando on family business and would not be able to make his appointment on the 25th. I suggested that he leave his appointment in case he made in back and wanted to schedule at the last minute and the bus would be full.

██████████ has been riding our buses for several months now and I have problems with him and his appointments every time he schedules. I have suggested that his doctor's offices make his appointments and I have suggested that he get a booklet to write his appointments down in and mark off when he has called me, but nothing I suggest works. He continues to talk over me when he calls and will not listen or cooperate with what I am offering to resolve this problem. He calls

the other extensions in this office and asks the same questions to see if anyone will give him different information. He really seems to have some problems in communicating and reasoning and he easily becomes angry and demanding. We have all taken him under our wing so to speak and invited him and his wife to take part in our senior center because his wife is elderly.

██████████ told Ms. Terry that I was unable to get him on the bus until December, but it was in fact Shands, who gave him a December appointment and was unable to get him in before then.

He has already scheduled for Nov. 1, for a 10:30 a.m. appointment and on Nov. 8 at 7:45 a.m. Both, he and his wife will be riding transport as they have in the past.

SCOPE

Who:

Suwannee River Economic Council, Inc. currently provides transportation services to the disadvantaged in Bradford County. Approximately 32,124 trips are expected to be performed in the upcoming year. Many of these riders have no other means of transportation to and from medical facilities. In most cases it is over 30 miles to the nearest medical facility from these rural areas. Many of these riders are elderly and in need of life sustaining treatments. Approval of this grant will ensure the quality of service these people receive will be at a level that is deserved.

What:

SREC, Inc. will use this grant to replace a small existing bus, which is past the recommended mileage for replacement by purchasing a cutaway van that will seat eight with two wheelchair stations. Therefore, enhancing the service that so many in Bradford County depend on for the sustaining of life.

Where:

Services will be provided for residents in Bradford County in routes that will take clients to Gainesville and other areas that have medical facilities for medical treatment.

When:

SREC, Inc. predicts that the services provided by this grant can begin by October 1, 2013. This will allow time for the new vehicle to be purchased.

How:

SREC, Inc. predicts that the services provided by this grant can begin by October 1, 2013. This will allow time for the new vehicle to be purchased.

Why:

AHCA announced the winners of the health plans for the Managed Medical Assistance program on Monday at 3:00 p.m. The blackout period should finish at 3:00 p.m. today. At that time, or soon thereafter, AHCA may know which areas will see protests. Once that information is known AHCA should schedule the dates for the rollout in those areas where there are no protests, or areas where the number of plans awarded are less than the maximum number of plans that could have been awarded.

Attached are the Standard Plans Awarded by Region. This will give you the plans that will need to include a transportation entity in their network by AHCA Region. If you have not reached out to them you should now.
