VII. EXECUTIVE DIRECTOR’S REPORT

A. 2009-10 Member Certificates of Outstanding Attendance

Mr. Koons stated that an essential component of the ability of the Council to conduct its business is the regular attendance of members at Council meetings. He reported that a Council Member Attendance Recognition Program was established by the Council to recognize the commitment of those Council members actively engaged in the organization by regularly attending Council meetings. Mr. Koons then awarded
Certificates of Outstanding Attendance to County Commissioner John Hersey, Bradford County, gubernatorial appointee Eddie Martin, Alachua County, gubernatorial appointee Charles Maultsby, Taylor County, gubernatorial appointee Andrew Smith, Union County and gubernatorial appointee Lorene Thomas, Dixie County in recognition of their attendance at every scheduled Council meeting during Program Year 2009-10.

B. Executive Director’s Cup

Mr. Koons stated that in furtherance of the Council’s Council Member Attendance Recognition Program and to encourage attendance at Council meetings, an Executive Director’s Cup is awarded each year to recognize the perfect attendance by either county, city or gubernatorial members during a program year. Mr. Koons then awarded the Program Year 2009-10 Executive Director’s Cup to gubernatorial members Eddie Martin, Alachua County, Charles Maultsby, Taylor County, Andrew Smith, Union County and Lorene Thomas, Dixie County.

C. Financial Disclosure

Mr. Koons reminded all gubernatorial appointees to the Council to file their financial disclosure forms with the supervisor of elections in their respective counties by July 1, 2010.

Mr. Koons reported that although House Bill 7103 creating the Agricultural Land Acknowledgement Act, designed to reduce conflict between agricultural and nonagricultural uses to protect sustainable agricultural lands was passed by the Legislature this past session, it was vetoed by the Governor.

Mr. Koons further reported that Senate Bill 1752 which was also passed by the Legislature this past session primarily deals with tax exemptions and other incentives to promote economic development. This legislation also included language which extended local government development orders, building permits, or Florida Department of Environmental Protection/Water Management District permits that would expire between September 1, 2008 and January 1, 2012 by two years after the previously scheduled expiration. He stated that due to differing interpretations of the language in this legislation as it applies to the two-year extensions granted in Senate Bill 360 last year, he advised that each local government carefully review this legislation with their attorney.

Chair Davis informed the Council that the next Council meeting will be held on July 22, 2010 at the Holiday Inn Hotel & Suites in Lake City. The meeting was adjourned at 8:26 p.m.
