VII. EXECUTIVE DIRECTOR’S REPORT

A. SpringHills Comprehensive Plan Amendments for the Development of Regional Impact Lawsuit Status Report

Mr. Koons reported that following the denial by Alachua County Board of County Commissioners of a comprehensive plan amendment and development order for the SpringHills Development of Regional Impact Substantial Deviation, the Council was named as a co-defendant along with Alachua County in a lawsuit filed by the developer of the project.

Mr. Koons stated that on December 6, 2007 Circuit Court Judge Roundtree dismissed the case filed by the plaintiff against the County and the Council and gave the plaintiff an opportunity to refile their motion. However, the written order dismissing the case was not filed until March 27, 2008. On February 29, 2008, the Plaintiff prematurely filed a first amended Complaint for Declaratory and Injunctive Relief. The Council attorney, in conjunction with the Alachua County attorney, filed a Motion to Dismiss the amended lawsuit on April 18, 2008.

Mr. Koons further stated that on November 5, 2008, Judge Roundtree issued an order dismissing the Council from Counts I, III and IV of the lawsuit and vacating protective
orders and that the Council remains a defendant to Count II of the lawsuit. He stated that Council staff and the Council attorney have responded to the plaintiff’s request for production of documents and interrogatories and that these documents and interrogatories have been submitted to the plaintiff.

Mr. Koons reported that on March 4, 2009, the plaintiff’s attorney sent a letter to the County’s attorney stating that the plaintiff has requested a suspension of all discovery concerning the lawsuit until April 13, 2009. The letter further stated that the plaintiff has engaged additional legal counsel to meet with the County attorney and Council attorney to discuss a possible settlement of the lawsuit. Mr. Koons stated that on March 6, 2009, the attorneys for all parties signed a statement agreeing to suspend all action concerning the lawsuit until the next status hearing with Circuit Court Judge Roundtree on April 16, 2009.

Mr. Koons further stated that on March 12, 2009, the attorneys for all parties met for an initial meeting to discuss a possible settlement. On April 10, 2009, the attorneys and representatives for the parties met to continue their discussion concerning a possible settlement. The plaintiff presented the attorneys and representatives for the Council and County a revised conceptual development plan for the project. The attorneys and representatives for the Council and County requested that the plaintiff suspend their lawsuit for six months and continue to work with Council and County staff to review and refine the revised development plan. The plaintiff’s attorney and representatives agreed to suspend the lawsuit for a six-month period with a three-month opt out provision.

Mr. Koons stated that on May 12, 2009, the Alachua County Board of County Commissioners voted to authorize their staff to work with the plaintiff to review and refine the revised development plan. He added that at its May 28, 2009 meeting, the Council agreed to suspend the SpringHills Comprehensive Plan Amendments for the Development of Regional Impact lawsuit and authorized staff to work with representatives of Pennsylvania Real Estate Investment Trust to review and refine the revised development plan for the SpringHills development. Mr. Koons further stated that Council staff and Alachua County staff met with the applicant on June 11, 2009 and July 10, 2009 to discuss the revised development plan and that on July 15, 2009, the attorneys for all parties held a status hearing with Circuit Court Judge Roundtree and agreed to continue the lawsuit suspension for an additional 90 days. He added that no meetings have been held between Council staff and the applicant since September 24, 2009.

B. Foley Master Development of Regional Impact

Mr. Koons reported that on September 10, 2009, the applicant for the Foley Master Development of Regional Impact met with Taylor County officials and Council staff to provide a general description of their project. He further reported that subsequent meetings concerning the project were held on September 28, 2009 and October 13, 2009. He stated that the Foley Timber and Land Company intends to submit an application for Master Development Approval for the Foley Master Development of Regional Impact. The project is located in Taylor County and is anticipated to consist of approximately
28,000 residential dwelling units, 2,156,220 square feet of retail commercial, 956,578 square feet of office, 13,179 acres of industrial/warehousing, 900 hotel rooms, 144 golf holes, a 600-bed hospital and 528 acres of educational/institutional uses. The total combined acreage for the development is anticipated to comprise 153,606 acres.

Mr. Koons stated that a Master Development of Regional Impact is intended for projects consisting of multiple Developments of Regional Impact covering an extended period of time. A Master Development Agreement between the Council, the local government, and the Applicant specifies that increments of the project will be reviewed for regional impacts similar to a traditional development of regional impact, ensures that anticipated regional impacts are adequately addressed and clearly defines specific information requirements for the review of subsequent project increments. He stated that a pre-application conference has been scheduled with the applicant and review agencies to be held on November 5, 2009 for the master development of regional impact to begin the review process.

C. North Central Florida Rural Planning Network Meeting

Mr. Koons stated that the meeting will be held in Live Oak and is being co-sponsored by the Council and the Florida Department of Community Affairs. He stated that the meeting will consist of the Florida Planning Officials Training Program. The program features basic instruction about planning and growth management in Florida and will be presented by Gene Boles, FAICP, and Gail Easley, FAICP, of the University of Florida.

Mr. Koons stated that the meeting will be held at the Suwannee County Extension Office, 1302 Southwest 11th Street, Live Oak, Florida from 9:00 a.m. to 3:30 p.m.

Chair Valentine informed the Council that the next Council meeting will be held on December 3, 2009 at the Holiday Inn Hotel & Suites in Lake City. The meeting was adjourned at 8:18 p.m.
