The Gainesville City Commission and the Alachua County Commission [sitting together as the Metropolitan Transportation Planning Organization for the Gainesville Urbanized Area] are developing the Year 2045 Long-Range Transportation Plan for the Gainesville Metropolitan Area. The Needs Plan Public Hearing is the first of two public hearings in this two-year study. This public hearing is your opportunity to provide input concerning the future transportation system projects to be included in the Year 2045 Long-Range Transportation Needs Plan before they are approved by the Metropolitan Transportation Planning Organization. The Metropolitan Transportation Planning Organization encourages your participation in its long-range transportation planning process.
