The Gainesville City Commission and the Alachua County Commission [sitting together as the Metropolitan Transportation Planning Organization for the Gainesville Urbanized Area] are developing its Year 2045 Long-Range Transportation Plan for the Gainesville Metropolitan Area. The Cost Feasible Plan Public Hearing is the second of two public hearings in this two-year study. This public hearing is your opportunity to provide input concerning the future transportation system projects to be included in the Year 2045 Long-Range Transportation Cost Feasible Plan before they are approved by the Metropolitan Transportation Planning Organization. The Metropolitan Transportation Planning Organization encourages your participation in its long-range transportation planning process. Get involved in deciding future multimodal [bicycle, pedestrian, roadway and transit] transportation projects. Come to this public hearing and share your ideas.

Due to the COVID-19 Public Health Emergency, the Metropolitan Transportation Planning Organization for the Gainesville Urbanized Area will meet virtually on August 24, 2020 at 5:00 p.m.
