

# Gainesville Urbanized Area Year 2025 Long Range Transportation Plan Update

## How Important Are These Factors?

We want to know how important you believe the following factors are in developing the Year 2025 Transportation Plan for the Gainesville Urbanized Area. These factors will be used to help determine which changes should be made to the highway, transit and non-motorized elements of the transportation system in the urbanized portion of Alachua County.

To provide us your opinion, please rate the following factors "0" through "100," with the highest rating indicating the factor you believe is most important. To do this, draw a line from the dot (•) following the factor name to the scale to indicate your opinion. An example is shown to the right. When finished, return your form to a project representative or by email using the Web site address or fax to the number listed at the bottom of the sheet.

Your opinions will be used to evaluate the long range transportation plan alternatives. Thank you.
